

The Justice League Program

Empowering Leaders of Tomorrow

ABOUT THE JUSTICE LEAGUE PROGRAM

The Justice League Program aims to build a community of law students with high degree of passion, integrity and self-confidence to become Leaders of tomorrow. The Program is designed to bring together and empower select law students from reputed law colleges in India to serve as Ambassadors and assist in propagating legal education amongst their peer groups and school students.

The ambassadors shall represent the vision of their respective law schools and shall voice their opinions on relevant issues of law thus helping in identifying critical opportunities of growth for the law community in India. They shall also engage and create awareness amongst high school students on various aspects of legal profession and inspire them to pursue law as a career.

The program aims to enhance their leadership and creative skills and motivate them to become instruments of change in their profession and society.

WHO CAN BE AN AMBASSADOR?

Any 2nd to 4th year law student can become an ambassador if he/she is:

- 1 Good in academic curriculum
- 2 Experienced in conducting activities or actively participates in activities
